

THUMBA ST.XAVIER'S COLLEGE ALUMNI/AE ASSOCIATION

Reg.No.TVM/TC/436/2013

St.Xavier's College, Thumba P.O.,TVPM 695 586

ANNUAL REPORT 2022-23

Thumba St. Xavier's College Alumni Association is functioning under the World Union of Jesuit Alumni (WUJA), formed during the silver jubilee year of the college in 1989. From then, the Association is functioning in a systematic manner according to a bye law. The Association was registered officially in the year 2013. The Association carries out numerous activities for the college students, which includes sponsoring the prizes of the Athappookalam competition every year, presenting scholarships for deserving students of all the Departments, organizing orientation classes and seminars for the college students. In the year 2022-23, we have successfully conducted a 3 day Xavier Alumni Fest entitled "la maree", during December 2022, in collaboration with the college.

Minutes of the last AGM conducted on 8th May 2022 at St. Xavier's College, Thumba

The meeting started with a prayer song by Mr. Bijukumar. Sri. Kadakkal Ramesh delivered the welcome speech. The President of the Association, Adv. N.R. Sureshkumar, in his presidential address suggested that the Alumni association can extend and elaborate its activities to reach various sections of the society. The College Manager and Co-coordinator of Jesuit Alumni Association of Kerala, Fr. Jose Mathew SJ elaborated the organisational structure of Alumni Associations. Former scientist of ITC & RD Bangalore and our college alumnus, Dr. Nandakumar K.S inaugurated the Annual General Body Meeting. He shared his memories about the campus and commented that hard work is the only path to success. The Secretary of the Association, Dr. Lisba Yesudas presented the Annual Report and the Treasurer, Dr. Harish S.R presented the Annual Accounts. The general body approved the same. The JAAK General Body brochure for "Sagara" was unveiled by Fr. Jose Mathew S.J and Adv. Sureshkumar made the first registration.

The College Principal, Dr. (Fr.) V.Y. Dasappan SJ, Dr. Joy Joseph (Retired Professor of the College), Sri. Anand Vijayan (Alumnus and Director, Kerala Sarvodaya Ayurveda Pharma & Research Centre) spoke on the occasion. Scholarships were awarded to second year students of the College, who excelled in academics.

The following students of various Departments received the scholarships:-

Physics- Gayathri N Chandran, Chemistry- Avani T.S, Maths - Malavika. S, Botany & Biotechnology- Gopika A. R, Commerce- Rejoy R, History- Sania Mirza, Malayalam & Mass Communication- Pournami M Kumar, and Economics- Leema Lorenz. The scholarships were sponsored by Mr. Stephan P.U (3 nos), Raghuchandran Nair, Anilkumar, Renji Abraham, Dr. Nandakumar, Dr. Joy Joseph and Mr. Anand Vijayan. Dr. Nandakumar was honoured in the meeting. The Vice President of the Association, Sri. Firosch A.S delivered the vote of thanks. The new executive committee members were elected for the year 2022-25. After the lunch, the meeting concluded at 1.30 pm.

I am happy to place on record the great achievements made by the Alumni Association of our college, particularly during the last academic year. "La Maree", the Alumni Xavier Fest 2023 organized by the Association provided an exciting opportunity to thousands of our alumni /ae including the former students who belonged to the very first batch of our college, to come together in the campus of their Alma Mater and relive their memories. Apart from the Fest, the Association also took special care to organize at least one programme of academic importance in collaboration with each department of the college. All these have certainly given new impetus to the life and activities of our Alumni Association. In this occasion I would like to invite you to dream higher and take up more challenging leadership roles in taking the college to greater heights as the college moves forward towards academic autonomy in tune with the New Education Policy of our nation. I wish you godspeed in all your endeavours

Dr (Fr) V. Y. Dasappan S. J.
Principal

Message

Dear SXC Alumni/ae friends

I am grateful to each one of you for continuing to remain associated with your Alma mater through SXC alumni/ae association. The annual general body meeting (AGM) that is organised every year in the month of May is an occasion for you to strengthen and to relive that bond among the former students and with their Alma mater. I am also glad that you are bringing out a small souvenir on the occasion of the annual general body meeting (AGM) of St Xavier's alumni/ae association.

I hope this venture of the alumni will keep alive the priceless friendship of students and staff and I pray that the activities of alumni/ae may inspire the younger brothers and sisters now studying in the college. The motto of Jesuit Alumni association is 'to give and not to count the cost'. Recently our alumni conducted a fest by name la maree- the waves or ripples. Infact it created waves at various levels in the society. It was a typical example which demonstrated their managerial and organizational skills. It was a marvellous event ably conceived and professionally executed. It was a grand success because they gave themselves to it without counting the cost.

Our alumni play an active role in the Jesuit alumni associations which functions at various levels. Jesuit alumni association is the biggest alumni association in the world. Our alumni are active at five levels, 1-unit level, 2. State level (JAAK-Jesuit alumni association of Kerala). 3. Zonal level, (South zone), 4. National level, (JAAI-Jesuit alumni association of India) and 5. at the international level (WUJA-World union of Jesuit alumni). Our members are active at all these levels and therefore our unit is a vibrant unit. As Director of the unit association and as Kerala province coordinator for alumni (PCA) I wish this AGM all the blessings of the Almighty. I wish the gathering every success. God bless you all.

Rev Dr Jose Mathew S J
Province Coordinator for Alumni (P C A)

DEPARTMENT WISE PROGRAMS

The Alumni Association organized various department wise programs during this year. The Association has started collaborative programs with various departments of the College for the year 2022-23.

This collaborative program series was inaugurated on 22.07.22, with an awareness seminar held in association with the Department of Botany and Biotechnology at 11:30 am in the Fr. Stan Sami Memorial Auditorium. The topic of the seminar was "Cytotechnology in Cancer Control". The Resource person was our own Alumnus Dr. K. Sujathan, Senior Consultant, Health Software Technology Group, CDAC, Trivandrum (Former Additional Professor, Division of Cancer Research, RCC, Trivandrum). The Seminar was inaugurated by Dr. (Fr) V.Y Dasappan SJ, Principal, St.Xavier's College. Dr.Harish.S.R, Treasurer of the Alumni Association was the Program Co-ordinator. In his talk, Dr. Sujathan explained the different types of cancers, reasons for its occurrence and the various methods of detection.

Department of Chemistry in collaboration with Mobile Soil Testing lab, Trivandrum organized Soil Testing Campaign and Seminar, led by the Association Vice president and Asst. Soil Chemist, Sri. Firosh A.S.

Department of Malayalam and Mass communication conducted seminar on "Opportunities in media studies". Our Alumnus, Rajeve Devraj, Executive editor, Mathrubhumi News was the chief guest.
